Name : Mr. Somsak

Amount : 23,900 Baht

Department : MHPC

Story Details

Mr. Somsak is the worker from MHPC. He is 33 years old. He suffered from stroke. After suffering from stroke, he has to go back to stay with his parents in the village in Srisaket province leaving his wife and children working at MHPC.

Helping him was the first initial fund raising project organized by selling fruits and noodles to our staffs from various department.

This little fund raising activity could collected about 23,900 baht to support Mr. Somsak.

The team reached to his house in the Srisaket province. We prayed for him. We teach him how to do rehabilitation exercise to recover soonest. And shared little fund contribution reflecting love and kindness of Friends from Mission Hospital.

We do wishes to gain normal strength and soonest recovery as in anticipation to reunite with his immediate family soon at MHPC.
